Brief Biography:

I was born in Lebanon and moved to the US in 2003 to pursue my Bachelor's Degree in Chemical Engineering and Mathematics/Economics at the University of Southern California.

At USC, I was given the opportunity to serve on the board of the USC Lebanese Club both as its president and as a public relations chair. My experience as both a member and leader of the club introduced me to lifelong friends, university policies and taught me the both the hardships and joys of working in a team.

My campus involvement extended to several other organizations where I took on different board positions, including the treasurer of the honors society OXE and vice president of the American Institute of Chemical Engineers.

In my final years at USC and along with six friends, I confounded the Lebanese Collegiate Network and served as its Vice President of Membership for two consecutive years (2007-2009) and as treasurer for the past year (2009-2010). Between my two roles, I successfully developed the LCN Awards programs, recruited 15 ULCs and overlooked a \$35k budget.

Upon graduation I joined GE's Commercial Leadership Program and moved to Northern California. As part of my job, I managed small and medium sized projects as well lead several sales initiatives. In June of 2009 I moved to Phoenix, Arizona to take on an account manager role for GE.

10-11 LCN Nomination

Statement of Purpose:

I hope to serve as your LCN treasurer for the year 2010-2011. I have been an active member of my Lebanese Club of OU as a treasurer, and a former VP of membership. The Lebanese Club is well known as one of the most active clubs among the OU community. I believe this is due to the efforts of the officers who have contributed to the exponential success of the events of the club. We have been able to successfully introduce new events every calendar year. We are also receiving recognitions for those activities from the Student Activities Board of OU. The club and several officers have earned awards from Oakland University for presenting several outstanding cultural and educational events that interested the students and introduced them to the Lebanese culture.

Today, I am proud to be a prospective candidate for the Treasurer position. I believe I have the adequate background needed to occupy that position. I also have the insight to explore new ideas to seek funding and donations. In addition, my familiarity with Oakland University will allow me to efficiently contribute to make the LCN convention 2011 in Michigan a success.

Per LCN Bylaws:

The Treasurer:

- 3.1 The Treasurer shall produce and secure a board approved annual budget.
- 3.2 The Treasurer shall prepare monthly financial reports tracking the budget's status.
- 3.3 The Treasurer shall store all LCN financial documents and provide the Secretary a copy of such documents.
- 3.4 The Treasurer shall actively solicit donations, raise funds, and be responsible for all LCN related financial activities.
- 3.5 The Treasurer shall ensure the accessibility of all LCN financial documents.

If elected as an LCN officer, I will work hard to fulfill my position, accomplish my duties, and satisfy LCN expectations. I will also strive to make a difference. I believe in the mission of the LCN and in its vision. Hence, I will make sure to abide by the LCN constitution and bylaws at all times, and to represent the LCN as envisioned by the mission of the organization.

I am hoping to take advantage of this great opportunity to contribute to such a strong foundation for such an exceptional organization. I believe the LCN is an organization that reflects the Lebanese community as I see it. This group of talented people, who are driven by their passion for Lebanon, set their differences aside to work together under one Lebanese identity, and for one beloved country Lebanon. With your support and vote, I look forward to becoming a member of the LCN family.

10-11 LCN Nomination

Statement of Purpose:

I remember that day as if it was yesterday. When I first moved from my beloved country Lebanon, to come to the States, my first and most important goal was attending college. Oakland University had the priority in my choices. As I was walking through campus and discovering the beauty of the place, I was amazed by an A-frame sitting on the grass. This structure represented a grizzly bear holding in his right hand the Lebanese flag. I was so impressed and happy. Hope filled in my heart, especially knowing that Lebanon was recognized and loved by people in the area. From that moment, I decided to become a part of this club as well as every Lebanese Network in an attempt to make my country shine. I knew that raising my countries name up high would bring me great pride, and this made me want to even give more. However, I still had to find a way in which I could achieve that goal of mine. My biggest opportunity was when I actually attended Oakland University and today, I'm proudly taking the responsibilities of the "Vice President of Membership" in the Lebanese Club of Oakland University.

Since my school days, I've been greatly interested in becoming a part of several clubs. I felt that by doing so, I could contribute my community by being more productive. During High School, I enjoyed taking responsibilities, for I felt that by doing small things the right way, I could help my group develop a greater outcome. When I attended Notre Dame University (NDU) in Lebanon, I also became an active member in one of the Universities clubs. We planned for many events and I was taking part and helping in all of them.

I am looking forward to be part of the LCN Board. As a Vice President of Events, my main goal will be to ensure the success of the LCN events by helping in improving ideas and suggestions for future LCN mixers, fundraisers and dinners.

Vice President of Events per LCN Bylaws:

The VP of Events shall plan all events relevant to LCN.

7.1 The VP of Events shall ensure that above all, The Annual LCN Convention is carried out every year in the month of March or April.

7.2 The VP of Events shall plan all details relevant to programs and events pending Board approval. This includes but is not limited to: venue selection, scheduling, ticket sales, and logistics.

The 2011 LCN convention is taking place in Oakland University, Michigan. Our board members are very excited for this happening and we are all going to work very hard and put the best we can to make it be the best convention the LCN had ever had. If you elect me as LCN Vice President of Events, I promise to work hard to make this convention the best yet.

Please submit this nomination form electronically to the LCN Board at nom@mylcn.org by **March 10, 2010**. All nominations submitted passed this date will not be accepted. Brief Biography:

I was born and raised in Lebanon. I am one in a family of four proud Lebanese siblings. I moved to the United States in 2001 after I finished high school from Apostles College in Jounieh with a Mathematics concentration diploma. I earned my Bachelor and Master degrees in Electrical Engineering from Oakland University (OU) in Rochester Michigan in May 2007 and December 2008, respectively. I am planning to continue my higher education towards an MBA in 2011. I have been working at Continental Automotive Engineering since January 2006 in the Instrumentation and Displays Division where we design Instrument Clusters' Programmable Circuit Boards and HVAC units.

I earned several honors and awards including the School of Engineering and Computer Science scholarship for the 2005-06 and 2006-07 academic years for a total of \$5000. I have been an active member of Tau Beta Pi (National Engineering Honor Society), Students for the Advancement of Mathematics, the French Club at OU, and the Future Alumni Network as well as off-campus organizations such as the Arab American Engineers and Architects and the Lebanese American Heritage Club. I was always active in International, Cultural and Engineering organizations on and off-campus. I founded the Lebanese Club with three good friends at Oakland University during the fall semester of 2006. I served as president for two years and worked with other international organizations to promote diversity and create unique events at OU such as Lebanese Soirées, Middle Eastern Night, CIA info session, and other cultural and informative events. The Lebanese Club by far became one of the most influential organizations on campus and was invited to participate in several discussions concerning student life improvements on campus.

I received several recognitions for my volunteer work at Oakland including the Commuter Involvement Award in April 2008, Student Organization President of the Year Award in April 2007 and International Service Awards in 2004, 2005 and 2008. I worked with two different teams from 2006 to 2008 with the Lebanese Club and each officer had their unique talent and view of the Lebanese Club. When the Lebanese Club faced hard times at Oakland, I found all the officers and active members on one side supporting the cause and purpose of the organization and for the benefit of the group. The Lebanese Club was driven by the passion of its leaders and their love for Lebanon. I thank all the current and former club officers at Oakland who have maintained the reputation and success on campus and in the Lebanese American community in Michigan. The Lebanese Club was recognized for its success and the movement it created on campus. It won the Outstanding Cultural Program

Statement of Purpose:

I hope to serve as your 2010 -11 Vice President of Public Relations on the LCN board.

As Founder of the Lebanese Club at OU and having served the LCN membership for the past year, I saw how my decisions impacted the community and I learned to be open to change and understand the value of improving the quality of life. I am self driven and committed to my responsibilities. I am full of energy and carry a passion for my home country. I always look for creative alternatives and new ideas to implement. I strive for the greater good and try to put the good of others first.

As I learned more about the LCN, I realized that it was a dream that became a reality. Other individuals from different states created this great organization. My dream consisted of an organization which unites all University Lebanese Clubs nationwide. Moreover, the LCN was able to establish scholarships and host annual conferences in different locations across the United States. In less than 3 years, the LCN successfully hosted three conventions that displayed commitment and professional work ethic.

I have been an active LCN officer. I attended and encouraged others to attend the Annual Convention. I helped the LCN reach out to the east coast membership particularly in the state of Michigan.

I am very interested in continuing to work with the LCN Executive Board and serve as VP of PR. I believe I make a good candidate for the position because of my motivation, skills, career-related experience, and involvement in extra-curricular activities and strong professional connections.
